Table of Contents (continued)

Pine Siskin (Carduelis pinus) ................................................................. W.73
American Goldfinch (Carduelis tristis) ...................................................... W.74
House Sparrow (Passer domesticus) ............................................................... W.75

This coloring book contains black line drawings of many of the common feeder birds found on our Common Feeder Birds posters and in the slide sets included in the CFW curriculum. Both eastern and western species are represented.

Most of the pictures in this coloring book were drawn by the noted bird artist and ornithologist, Louis Agassiz Fuertes (1872–1927). Fuertes, a native of Ithaca, New York, and a Cornell University graduate, is known for his realistic bird art. Look for his signature initials: L.A.F. The other drawings are by William Motagna, signature initials: W.M.

These drawings are reprinted with the generous permission of the publisher, Comstock Publishing Company, Inc., Ithaca, New York.
What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?

Mallard (Anas platyrhynchos)
Cooper's Hawk (Accipiter cooperii)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
**Rock Dove (Columba livia)**

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
**Mourning Dove** (*Zenaida macroura*)

- What color is it?

- Describe its shape.

- What are its field marks?

- How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

- Do males and females look different? If so, how are they different?

- Did you color a male or a female?
Ruby-throated Hummingbird (Archilochus colubris)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Rufous Hummingbird (*Selasphorus rufus*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Downy Woodpecker (*Picoides pubescens*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Hairy Woodpecker (Picoides villosus)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Northern Flicker (*Colaptes auratus*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
**Blue Jay (Cyanocitta cristata)**

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
**Scrub Jay** (*Aphelocoma coerulescens*) and **Stellar’s Jay** (*Cyanocitta stelleri*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
American Crow (*Corvus brachyrhynchos*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Black-capped Chickadee (*Poecile atricapillus*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Carolina Chickadee (Poecile carolinensis)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Mountain Chickadee (Poecile gambeli)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Chestnut-backed Chickadee (*Poecile rufescens*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Tufted Titmouse (*Baeolophus bicolor*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Red-breasted Nuthatch (*Sitta canadensis*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
White-breasted Nuthatch (*Sitta carolinensis*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Carolina Wren (*Thryothorus ludovicianus*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Golden-crowned Kinglet (Regulus satrapa)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
American Robin (*Turdus migratorius*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?

*Cedar Waxwing (Bombycilla cedrorum)*
What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?

European Starling (*Sturnus vulgaris*)
What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?

*Pine Warbler (Dendroica pinus)*
Northern Cardinal (*Cardinalis cardinalis*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Eastern Towhee (*Pipilo erythrophthalmus*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
American Tree Sparrow (*Spizella arborea*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
**Chipping Sparrow** (*Spizella passerina*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Song Sparrow (*Melospiza melodia*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
**White-throated Sparrow** (*Zonotrichia albicollis*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
White-crowned Sparrow (Zonotrichia leucophrys)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Dark-eyed Junco (*Junco hyemalis*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Common Grackle (Quiscalus quiscula)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Brown-headed Cowbird (*Molothrus ater*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Pine Grosbeak (Pinicola enucleator)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
**Purple Finch** (Carpodacus purpureus)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Red Crossbill (Loxia curvirostra) or White-winged Crossbill (Loxia leucoptera)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Common Redpoll (*Carduelis flammea*)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
Pine Siskin (Carduelis pinus)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
American Goldfinch (Carduelis tristis)

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
**House Sparrow (Passer domesticus)**

What color is it?

Describe its shape.

What are its field marks?

How big is it? (Compare its size to that of a crow, a robin, or a sparrow.)

Do males and females look different? If so, how are they different?

Did you color a male or a female?
