

Self-Advocacy

Goal: Student will demonstrate self-advocacy skills in order to communicate learning style, academic and behavioral needs.

Objectives:

- ___ Student will complete his learning style inventory and be able to describe learning style.
- ___ Student will communicate to others the strengths and weaknesses of learning style.
- ___ Student will review the accommodations/modifications page of his/her IEP.
- ___ Student will communicate with teachers to seek help, clarify instructions or requirements of academic tasks, and make them aware of accommodations.
- ___ Student will learn skills to begin to facilitate his/her PPT.
- ___ Student will identify impact of behaviors on self and others and how it affects learning.
- ___ Student will assess correctness of assignments and tests by reviewing for errors and making necessary revisions.
- ___ Student will accept the consequences of being unprepared for class by discussing such consequences and developing a strategy to avoid such problems in the future.
- ___ Student will demonstrate the skill of obtaining information from teachers regarding tests, quizzes, projects, etc.
- ___ Student will develop and carry out a plan for making up work missed due to absence.
- ___ Student will accept responsibility for utilizing resource period services to meet classroom objectives.
- ___ Student will discuss specific topic behaviors (positive and negative) and their effect on academic classes and/or social performance of self.
- ___ Student will seek guidance/direction when facing new or difficult situations.
- ___ Student will appropriately confront topics/issues, which are uncomfortable with teacher/para support.
- ___ Student will plan and implement alternative solutions for school problems as they occur with adult guidance.
- ___ Student will face academic and social situations positively and appropriately and discuss feelings regarding these situations.
- ___ Student will accept praise and/or criticism from peers or adults and utilize this to change social and behavioral outcomes.
