WHAT WILL HAPPEN?

MAKE A PREDICTION

If Punxsutawney Phil sees his shadow, he will get scared and run back into his burrow to sleep for another 6 weeks. That means that it will still be winter and spring won't come early.

Do you think Phil will see his shadow? Do you think it will still be winter, or do you think spring is coming?

Answer the questions below with your Groundhog Day prediction.

**DO YOU THINK IT'S
TIME FOR SPRING?**

YES

NO

**WILL PHIL SEE HIS
SHADOW AND GET
SCARED?**

YES

NO

TEST YOUR PREDICTION

Now that you predicted whether Phil would see his shadow, it's time to test your prediction.

Cut out the groundhog on the next page and glue it to a popsicle stick. Then, take it outside to test whether it sees its shadow.

Remember, if Phil sees his shadow, he will get scared and predict another 6 weeks of winter. If he does not see his shadow, he thinks spring will come early.

DOES PHIL PREDICT ANOTHER 6 WEEKS OF WINTER?
