

# Questions to ask during Kindergarten Transition

- What is the typical class size in this building?
- Are you recommending pull out services or push in, and why?
- Are related services done individual or group? (PT, OT, speech)
- individual services
- Are you recommending a self-contained classroom or regular ed, and why?
- Can my child receive pull out to a small setting for some subjects?
- If a 1:1 is necessary: What will that look like in a new setting?
- My child struggles with socialization and making friends.
- Is the playground accessible for your child?
- What "specials" they offer and what that will look like for your child.
- Will there be any specialty programming (such as ABA) and who will implement in a new setting?
- What is the plan for transportation?
- My child best learns by.....
- My child needs medication during the day.
- Eating: Does your child have feeding or allergy issues?
